Subject:

Approval to waive fees based on the recommendation of Utility Review Committee

Background/Alternatives:

The Utility Review Committee was established to give citizens the ability to dispute their utility bill. The committee is designed to run in a hearing process so the citizen can discuss their concerns and the City staff can discuss their concerns to a more independent group. The committee is made up of the City Administrator, Finance Director, Public Works Director and a citizen volunteer. The Committee recently met to review disputed bills. It is recommended to partially waive fees on three accounts.
