City of Green River Parks and Recreation Department Behavior Policy

Summer Day Camp and Green River After School Program

Positive Guidance, Discipline and Discharge

Whenever possible, staff will assist children in working out their differences. The program should follow the same conflict resolution steps as below:

Children's Rules to Live By:

- **Ask the person to stop**
- **Ignore the person**
- **Walk Away**
- **Tell an Adult**

We are respectful, responsible and safe

The following system will be used in the behavior plan.

1. First offense, the child will be given a warning and the staff person will talk to the child about the behavior expected of him/her. *If a behavior is deemed serious enough, it can warrant a **Discipline Report** without warning or even an expulsion from the program without prior warning or notice.*
2. Second offense, the child will be asked to sit away from the group for a short period of time (5-10 minutes) and think about his/her actions. A staff person will again talk to the child about their behavior.
3. Third offense, the child will be removed from the area and asked to sit away from the group for 10-20 minutes (depending upon the age of the child). The child will not be allowed to return to a particular activity for the remainder of the program time, such as a gym game. Parents will be informed of the behavior upon pickup and an **Incident Report** will be completed by the staff.
4. A **Discipline Report** (Blue Sheet) will be completed whenever a child becomes physical with another child or staff member, destruction of property occurs, constant one-on-one attention is needed, and/or usage of offensive language. *A serious discipline problem is defined as one in which a child is adversely affecting the day-to-day operation of the programs.*
5. If a 2nd **Discipline Report** is completed during a summer or school year, a meeting will be scheduled with the Recreation Supervisor, onsite staff, parents and child to discuss the behavior and strategies to assist in alleviating the behavior.
6. If the child receives a 3rd **Discipline Report** he/she will be suspended from the program for a three-day period. During this time the parent, child, Recreation Supervisor and onsite staff member, will meet to discuss the parameters of returning to the program.
7. If a 4th offense occurs after this meeting, the result will be dismissal from the program. *Refunds will not be granted.*

*By signing this form, you are acknowledging that you have read and understand the behavior policy.

Return with the completed registration form.

Education is a whole-life process; it's the sum of what we learn that enables us to live satisfying and meaningful lives. Self-Directed Education is about being supported and empowered to direct our own process and create our own lives.

<https://www.self-directed.org/tp/summer-of-self-direction/>

Dear Parents,

Welcome to the 2021 Green River Parks and Recreation Summer Day Camp! We are excited to have your children spend their time with us. Our camp philosophy will be based on putting the children in the driver's seat, creating a fun and engaging environment that is safe and encourages creative discovery. Each day children will have freedom to make choices and create their own path to learning and building confidence as they go. As staff, we will be there to guide them to build meaningful relationships, be creative, and discover new things. Each day our time will be divided between several types of activities.

First, back by popular demand, we will have off site field trips each week. These include: gymnastics at the pavilion, Dip Dodge and Slide at Century West Park, the movie theater, and the Green River Recreation Center for swimming. We will also be taking in town and out of town field trips that differ each week. These can be found on your weekly schedule.

Next, we will have designated station time. During station time kids can freely choose what they want to do by creating and discovering new things. At each of the following stations there will be staff available to guide learning and answer questions, but this time is designed for kids to have the freedom to play and create as they would like. This summer we will have these stations available:

- **Creativity Corner:** This is our art area. Here students can choose between the project of the day or whatever they can think up or want to try! We will have supplies like paper, glue, paint, markers, and more. The possibilities are endless.
- **Sports Center:** Sports Center is the place for kids on the move. We will have daily planned games like scooter races, basketball, tag, or human hungry hippos, but there will also be opportunities for them to learn new sports. The week will include introductory skills for a sport, then a practice day and a play day.
- **Home Ec:** Here students will be able to learn life skills. They will learn simple cooking skills such as measuring and decorating goodies. They will learn about nutrition and manners. There will be sewing and crocheting at this station.
- **Relaxation Station:** This is our space to hang with friends, take a break and relax. We will have books, board games, coloring and drawing, as well as a staff member to lead quiet activities.
- **Playground Mania:** Here kids can have free play time on the playground or play one of our staff led activities like Hot Lava Tag. The grass field near the playground is where outdoor sports such as soccer will take place.
- **Game Nation:** Game Nation will have the table top versions of air hockey, pool, curling, shuffleboard, ping pong, and foosball. We will also keep kids moving in Game Nation with Dance Dance Revolution or Wii sports.
- **STEM:** This station is the space to build! We will have Keva planks, Legos, K'nex, Gobi, and many other fun science-based activities for kids to use their brains and build.

Lastly, we will have Daily Specials. These will be structured staff lead activities that kids can choose to participate in. They will include favorites like science and some soon to be favorites like Cooking, Dance, Outdoor Day and so much more.

This year, our Summer Day Camp will be registering each participant in summer reading through the Sweetwater County Library. The children will be able to log their minutes online and earn tickets to receive prizes. We are excited to have this again and hope you will join with us in encouraging your children to read this summer! *If you plan on registering your child separately, please let us know so we can remove them from our group online.*

Attached to this letter is our schedule. The schedule is broken down by time and activity. If you need to pick your child up early you can find us at the designated location. Times may not be exact, but they are as close as we can guess since we are working with children. Please call our site cell phone if you need to get ahold of us. The number is **307-870-4014**.

During camp, be sure that your child has all the required supplies with them each day. This includes: **athletic shoes, backpack, water (in a refillable water bottle with their name on it), two healthy snacks, an extra change of clothes and a jacket.** **Please do not send your child(ren) wearing sandals. For out of town field trips, you may provide a healthy lunch or we can provide them a lunch from the School District. We will take a lunch count the morning of the trip. We also ask that you donate one bottle of sunscreen per week.** This will ensure that all campers are comfortable and prepared each day. When we are outside we will be reapplying sunscreen every 80-120 minutes. This requires a large amount of sunscreen so your donation is very important and appreciated.

We ask that you do not send sugary snacks, candy, soda pop, or personal items such as toys, trading cards, blankets or electronics with your child(ren) to Summer Day Camp. We try to promote healthy lifestyles and use School District #2 nutritional guidelines. After several years of Summer Camp we are also recommending, but ***not*** requiring a two piece tankini for girls during water days. (This is only a recommendation because we ask that they wear their swimsuit under their clothes and it is easier for them to use the restroom with a two-piece swim suit.) We would appreciate if you send all items with the child's name written somewhere on them.

If you would like your child to have popcorn and a drink at the movie you will need to send them with exactly **\$3.50** on movie day, which is every Thursday. **If you know how many movies your child will be attending during the summer, you may send the exact amount with them the first week and we will keep track with a punch card. This money will be non-refundable if the child misses a movie day.** We ask that you send your child in the colored shirt noted on the schedule for field trip days.

COVID GUIDELINES

As of May 12, 2021 COVID guidelines within School District #2 have not changed therefore children and staff will still be required to wear face coverings when within 6ft. of one another. They will not wear them while participating in physical activities or while outside or off-site at a field trip unless the field trip facility requires that masks be worn.

We strive to make summer camp a safe and enjoyable place for your child. We hope that it will be a wonderful experience, full of fun and lasting friendships.

Please sign and return all permission slips attached to this letter by the next business day. The signed form will be required before children will be able to participate in the activities. Each child needs their own permission slip.

Sincerely,

Katie Duncombe, CPRP
Recreation Supervisor
